**Notes:**

1. Services must comply with Church Covid19 Risk Assessment and may change during this plan.
2. Availability of preachers means some churches have been planned for fortnightly services or increased numbers of own arrangements.
3. Churches were asked to specify an early or late time for worship to enable the minister and some preachers to take two services
4. For on-line worship Suzanne Patrick normally hosts and deals with the technology please try to get your order of service to her at least two working days before the service date to enable her to prepare.
5. On-line mid-week worship is at your discretion on style but guidance is available on timings (30 mins) and format that will be circulated to preachers and worship leaders.
6. The Sunday evening on-line worship normally follows the Worship Sheet prepared by the Methodist Church and involves a discussion around the bible passages and reflection.
